Proposals for resolutions

Item 6: Resolution on a directed issue of consideration shares to Artim Balance BidCo AB

The board of directors of Soltech Energy Sweden AB (publ) (the "**Company**") proposes that the general meeting resolves to increase the Company's share capital through a share issue (the "**Consideration Share Issue**") on the following terms:

1. The Company's share capital shall increase by not more than SEK 2,834,558.40 through an issue of not more than 56,691,168 shares.
2. The right to subscribe for the new shares shall only rest with Artim Balance BidCo AB, reg. no. 559458-8914 ("**Artim Balance**"). The reasons for the deviation from the shareholders' preferential rights is the agreement between the Company as purchaser and Artim Balance as seller regarding the Company's acquisition (the "**Acquisition**") of all shares in Kommstart 3974 AB (under name change to Sesol Group AB), reg. no. 559534-6866 ("**Sesol Group**"), under which Artim Balance shall have a right and obligation to subscribe for the new shares.
3. A subscription price of SEK 2.065 shall be paid for each share, entailing a total subscription price of not more than SEK 117,067,261.92. The principle and basis for determining the subscription price in the Consideration Share Issue have been negotiated between the Company and Artim Balance, based on which the subscription price has been determined to SEK 2.065 per share, corresponding to 10 trading days' volume-weighted average price paid for the Company's shares on Nasdaq First North Growth Market during the period 19 June - 3 July 2025. The board of directors is therefore of the opinion that market terms in the Consideration Share Issue has been ensured.
4. Subscription of the new shares shall be made on a separate subscription list no later than on 30 September 2025.
5. Payment for the new shares shall be made no later than on 30 September 2025. The board of directors shall have the right to allow set-off according to Chapter 13, Section 41 of the Swedish Companies Act. It is noted that the intention of the board of directors is to allow such set-off of claims on the Company occurring in connection with Artim Balance's sale of the shares in Sesol Group to the Company.
6. The board of directors shall be entitled to extend the subscription period and the date for payment, respectively.

7. The part of the subscription price exceeding the quota value of the shares shall be allocated the non-restricted share premium reserve.
8. The new shares shall entitle to dividends the first time on the dividend record date that falls closest to the date on which the new shares are entered in the share register maintained by Euroclear Sweden AB.
9. The CEO or the person designated by the CEO shall have the right to make those minor adjustments to the above resolution that may prove necessary for registration with the Swedish Companies Registration Office and Euroclear Sweden AB.

The resolution on the Consideration Share Issue shall be conditional upon Artim Balance receiving the necessary clearances from the Swedish Competition Authority and the Swedish Inspectorate of Strategic Products for completing the Acquisition.

The issue resolution shall be conditional upon that the general meeting's resolution is supported (i) by shareholders representing at least two thirds of both the votes cast and the shares represented at the meeting and (ii) by shareholders representing at least two thirds of both the votes cast and the shares represented at the meeting with disregard to any shares held and represented at the meeting by Artim Balance.

Documents pursuant to Chapter 13, Section 6 of the Swedish Companies Act have been prepared.

Upon full subscription and allocation of the new shares in the Consideration Share Issue, Artim Balance will become the owner of 56,691,168 shares in the Company, corresponding to 30 per cent of all shares and votes in the Company after completion of the Consideration Share Issue.

Item 7: Resolutions on determination of number of members of the board of directors, and election of two new members of the board of directors, and on remuneration to newly elected members of the board of directors

Given the Company's acquisition of the shares in Sesol Group and for the period until the end of the next annual general meeting, the board of directors of the Company proposes that the board of directors shall be expanded from four to six members, that Jacob Langhard and Thomas Mejdell shall be elected as new members of the board of directors, and that a yearly remuneration of SEK 300 000, together with remuneration for any committee work in accordance with the decision of the most recent annual general meeting, shall be paid to each of the newly elected members of the board of directors, and that such remuneration to these members for the period from the time upon which their election takes effect until the end of the next annual general meeting shall be paid in proportion to the length of their respective terms. The resolutions shall be conditional upon and take effect from the date of the Company's completion of the acquisition of the shares in Sesol Group.

Thomas Mejdell, born in 1986 and a Norwegian citizen, is Managing Director at Nordic Capital Advisors and a member of the board of directors of Sesol, Sortera and RESMAN, and was previously a member of the board of directors of Macrobond and an analyst at Morgan Stanley. Thomas Mejdell holds a Master of Science in Finance from the Norwegian School of Economics. Thomas Mejdell does not own any shares in the Company.

Jacob Langhard, born in 1989 and a Swedish citizen, is Investment Director at Nordic Capital Advisors, member of the board of directors of Sesol and deputy member of the board of directors of Sortera and Cary Group, and was previously an analyst at Lazard. Jacob Langhard holds a

Master of Science in Finance from the Stockholm School of Economics with studies at Yonsei University in Seoul. Jacob Langhard does not own any shares in the Company.

Item 8: Resolution on amendment of the articles of association

The board of directors proposes that the meeting resolves to amend the Company's articles of association in accordance with the following:

It is proposed that the number of shares in the articles of association be changed from being not less than 80,000,000 and not more than 320,000,000 to being not less than 185,000,000 and not more than 740,000,000, and that the share capital in the articles of association be changed from being not less than SEK 4,000,000 and not more than SEK 16,000,000 to being not less than SEK 9,250,000 and not more than SEK 37,000,000.

§ 4 of the articles of association shall therefore read as follows in English:

"The share capital shall be no less than SEK 9,250,000 and not more than SEK 37,000,000."

§ 5 of the articles of association shall therefore read as follows in English:

"The number of shares shall be not less than 185,000,000 and not more than 740,000,000."

The resolution shall be conditional upon that the meeting resolves on the Consideration Share Issue pursuant to item 6 above and that all new shares in the Consideration Share Issue are allocated and registered with the Swedish Companies Registration Office.

For a valid resolution in accordance with the board of director's proposal on amendment of the articles of association, the resolution must be supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the meeting.

Item 9: Resolution on authorisation for the board of directors to issue shares, warrants and/or convertibles

The board of directors proposes that the meeting resolves to authorise the board of directors to, for the period until the next annual general meeting, on one or more occasions resolve on issue of shares, warrants and/or convertibles, with or without deviation from the shareholders' preferential rights, to be paid in cash, in kind and/or by way of set-off, whereby the number of shares that may be added through new subscription or conversion may not result in the number of shares exceeding the number permitted by the articles of association.

The main purpose of that the board of directors shall be able to resolve on an issue without preferential rights for shareholders as set out above is to be able to raise new capital to increase the Company's flexibility and ability to accelerate the development of the Company's operations or in connection with acquisitions, and to diversify the shareholder base. The issue of new shares, convertibles or warrants pursuant to the authorisation shall be carried out on customary terms and under prevailing market conditions. If the board of directors finds it appropriate, in order to enable the delivery of shares in connection with an issue in accordance with the above, this may be done at a subscription price corresponding to the quota value of the shares. The board of directors, or a person appointed by the board of directors, shall be entitled to make the adjustments that may be necessary in connection with registration of the resolution with the Swedish Companies Registration Office.

The resolution shall be conditional upon that the new articles of association pursuant to item 8 above are registered with the Swedish Companies Registration Office. Provided that the

authorisation pursuant to the above becomes effective and is registered with the Swedish Companies Registration Office, the authorisation from the annual general meeting 2025 shall cease to be effective and is thereby replaced by the authorisation pursuant to the above.

For a valid resolution in accordance with the board of director's proposal on authorisation, the resolution must be supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the meeting.

Other information on dispensation from launching a mandatory takeover bid and majority requirements
